polyester line in smart contemporary patterns and livable neutral palettes.

"High Point is an important market for us, and we have a lot of new product specific to the customers we see there," said Wendy Reiss, VP of sales and national accounts. "We're excited, and looking forward to a great market." **HTT**

Sunya's Whistler collection is hand-loomed of wool and comes in a neutral family of colors interpreted on a two-tone trellis design. SP 4100

Momeni is introducing Covington, a collection of machine-made, polyester chenille rugs in tonal patterns. IHFC - H345

Feizy Rugs' Piraj hand-knotted collection plays off traditional patterns that have been updated with distressed vintage styling and saturated colorways. MS 145
