MODERN LOVE

Mid-Century Modern is a style that spans several decades and whose iconic aesthetic remains relevant even in this time. True period carpets differ greatly from those of today which take retrospective influence from the form, yet all remain undeniably modern in context. This is the enduring power, the glory, of "Modern Love."

"Modern Love" excerpted lyrics
by David Bowie

I know when to go out, and when to stay in,
Get things done, I catch a paper boy,
But things don't really change,
I'm standing in the wind,
But I never wave bye-bye,
But I try, I try,
There's no sign of life,
It's just the power to charm,
I'm lying in the rain,
But I never wave bye-bye,

But I try, I try,

It's not really work,
It's just the power to charm,
I'm still standing in the wind,
But I never wave bye bye,
But I try, I try,

Never going to fall for... Modern Love,
Walks beside me... Modern Love,
Walks on by... Modern Love.
